

What Is The STATE-FED PAC PROGRAM?

In the past the Illinois Association of Mortgage Professionals asked for your help in two different manners, state and federal donations. The IAMP has now developed a program that allows you to support both the Political Action Committee in the State of Illinois and Federal arenas. You will be able to select the percentage you would like to designate to the State PAC or to the Federal PAC. Without your support, we cannot support state and federal candidates that are going to support our efforts at legislative change and stop those pieces of legislation that will hurt our borrowers and the members of the association.

The mission of the PAC is to develop and foster relationships with the members of the Illinois Legislature and our U.S. Congressmen and Senators, to promote favorable legislation, and/or combat policy and bills with the potential to cause harm or unfair hardship for the mortgage broker industry.

Why should I commit to PAC?

1. PAC opens doors to insure your doors stay open.
2. PAC is a security blanket to protect you from costly, unnecessary policies and legislation - which has saved you thousands of dollars annually.
3. PAC addresses issues of vital importance to your livelihood such as IDFP, GFE, MDIA, and other lending issues.
4. Your commitment to PAC insures the future of our industry.

How do I commit?

Purchase a PAC pin. The annual PAC Pin program is the primary fundraiser for IAMP's political activities. These pins prominently display your name and company. We offer five levels that make it easy for you to invest in your future. You decide how you want to pay: either one lump sum or by credit card each month. Your options are as following:

- Emerald Pin** - The highest level of commitment. This exemplifies your leadership and commitment to our industry and to the political process.
- Platinum Pin** - A true leader and a strong statement that your industries survival is important to you.
- Gold Pin** - This level is designed for Broker/Owners and Wholesale Representatives. It shows your employees and your customers that you care.
- Silver Pin** - as a Silver Pin Holder, wear the pin on calls and events, to show your commitment to the industry.
- Bronze Pin** - Perfect for loan officers, processors and others getting started. Represents your newfound commitment to your profession and its future.

- Yes! I want to stand up for the Mortgage Industry. It's a great future and I am committed to help keep it that way.**
